

## Dementia Day Care Centre at KR Market Inauguration

**Nightingales Medical Trust** has launched an **Elders Employment Bureau**, first of its kind in India, on **Jan 05th 2018**. A unique job portal for elders with most comprehensive recruitment system and artificial Intelligence capabilities enabling recruiters search for best possible candidates and evaluate them for various open requisitions. This **service is entirely free** for both **Employers and Elders** and would ease the entire process of job facilitation for needy elders.

The Trust also inaugurated a new **Dementia Day Care Centre at KR Market**. This day care is for people with Dementia, Parkinson's and stroke. With cognitive and physical assessments, brain stimulation activities, physio and rehab, this centre aims to offer personalized professional care at a very affordable price and would reduce the burden on family caregivers.

Justice **Dr. M. N. Venkatachaliah**, Former Chief Justice of India, **Shri. Muralidhar Halappa**, Chairperson Karnataka Vocational Training & Skill Development Corporation, **Smt. Pankajam Sridevi**, President – Bangalore Chamber of Industry & Commerce and **Shri. Mohd. Shariq Malik**, Company secretary ACRE were present at the event. "The notion that you are old is stupid. One is never old enough" **Dr. M. N Venkatachaliah** said during the launch.
